

SANDY BAY:

You can sometimes have a whole beach to yourself here. At night, boats come from West End to do their night dives here. It's a laid back place offering wonderful snorkeling, windsurfing & kayaking.

WEST END:

With picture card beaches, great & inexpensive restaurants, souvenir shops and diving- no wonder West End is the tourist hub of Roatan.

COXEN HOLE:
This biggest city of the Island is also its commercial center. There are plenty of stores, souvenir shops & restaurants. Watch for a clock tower being restored, and maybe you could find the house where O'Henry used to live.

FRUITS & FLOWERS:
Hot climate with abundant rainfall provides a rich flora environment. Island soil produces coconuts, corozo palm fruits- cohoons, cashews, mangos, nonis, bananas and papayas.

FLOWERS BAY:
Every Sunday afternoon you can watch baseball like it used to be played. Undiscovered talents compete in six teams compete for the Island League title and play to a jungle and beach backdrop.
